
Parish Mission

February 22nd —25th

Fr. James Garneau, PHD will lead our parish in a robust, spiritual preparation for getting the most out of the Holy Season of Lent.

Fr. Garneau will preach at the weekend Masses as well as the masses on Monday and Tuesday evening at 7:00 PM. Please attend and bring your children too, especially those teen agers.

Confessions will be heard before and after both weekday masses.

Mark your calendars now and don't miss this wonderful opportunity to be graced with all you need to keep a holy life changing Lent this year.

All are Welcome!

Invite your friends and neighbors especially those Catholics you know who have been away from the church, invite them HOME!
